When it comes to managing glucose, it's all about outcomes.

Visit MDN at Booth #926 during the AACN/NTI Expo in San Diego and get a ticket to win in a Microsoft Surface™ Pro 3!

MDN
Medical Decision Network, LLC

For nearly a decade, Medical Decision Network, LLC (MDN) has been providing a wide range of solutions dedicated to improving the quality and cost of healthcare and enhancing the contributions of healthcare professionals.

Solutions like our FDA cleared **GlucoStabilizer**[®] insulin dosing system and our **ICUTracker**[®] outcomes reporting systems.

Individually, these systems can impact patient care.

Collectively, they can impact your hospital's performance.

Visit us at Booth #926 during the NTI Expo.

Enter to Win a Microsoft Surface™ Pro 3

Each day during the AACN/NTI Expo we'll be raffling off a Microsoft Surface™ Pro 3!

Visit us at Booth #926 for details.
